

Hello Leader,

The Pathway to Adventure Council Scout Shops are providing an opportunity for the Scouting community to help local Scouts who may need uniforms and uniform items but cannot afford to purchase them on their own.

The Ethan Giving Tree program, similar to an Angel Tree program, works on a donation basis. A giving tree will be set up at your local Scout Shop with cards on it that contain the first name of a Scout in need along with the items requested. We will keep the full name and any identifying information of the individual(s) confidential. Only the store staff will have access to the Scout's full name and contact information of the person who submitted the request.

We need your assistance to make this project a success. Please fill out the information below for every Scout who would benefit from donations to complete their full uniform and return it to your local Scout Shop or [fill out our online form](#) by November 17, 2017.

Customers and Scout supporters can purchase item(s) for Scouts in need from November 17, 2017 to December 20, 2017 at their local Scout Shop and give them to the store staff to collect for each child.

If you have any questions please contact the store staff at charles.gray@scouting.org or phone us at (847) 640-4430.

Thank you in advance for your assistance. With leaders like you, this program will greatly benefit our Scouting community.

Thank you,
Scout Shop Staff
